### Eventuali integrazioni al piano di lavoro annuale previsto

Rispetto al piano di lavoro previsto, consegnato ad inizio a.s., ci sono state delle integrazioni.

Si è ritenuto opportuno lo studio dell'autore Oscar Wilde e della sua opera The Picture of Dorian Gray ed inserire una lezione sulle macromolecules per poter facilitare i collegamenti multidisciplinari.

Gli argomenti non svolti saranno trattati dal 15 Maggio fino al termine delle lezioni.
